# Disabled Entrance

Disabled guests should enter and exit the moat via the Middle Tower at the West Gate. They must provide their names to the Event Manager prior to the event. Unannounced guests will not be allowed to enter via this entrance.

Disabled guests will not be able to enter or exit the moat between 21:50 – 22:00 because the Ceremony of the Keys takes place at this time.

The Westgate is closed at midnight. Guests should allow at least 10 minutes for the golf buggy to get them to the West Gate before the curfew.
